LAW SOCIETY'S AFFIDAVIT: APPLICATION IN TERMS OF RULE 30 OF THE
UNIFORM RULES OF COURT

I, the undersigned,

SOLOMON STRIKE MADIBA

do hereby make oath and say:

ROOTH & WESSELS
ATTORNEYS

Sim 

1. I am the President of the Law Society and I am authorized to depose to this affidavit on behalf of the Law Society. The contents of this affidavit, where they are within my own knowledge, are true and correct. Where the contents are not within my own knowledge, they have been made known to me and I believe in their veracity. I rely of the advice of experts and the Law Society's attorneys.
2. The Law Society has indicated that it will not participate in the application in terms of Rule 30 of the Uniform Rules of Court, brought by the Bobroffs.
3. The Law Society has however been provided with a copy of the answering affidavit to the Bobroffs' Rule 30 application, deposed to by attorney Anna Maria Joubert (attorney Joubert). I am duty bound to comment briefly on two aspects that have been raised in the said answering affidavit.

The first aspect

4. The attorneys for the Grahams appear to be unable to resist an opportunity to criticize the Law Society. Attorney Joubert has done so, yet again, in paragraph 12 of her affidavit.

5. Attorney Joubert repeats the allegation that the Law Society has failed in its statutory mandate as the custodian of the legal profession. I vehemently deny this allegation.

6. Attorney Joubert furthermore alleges that the so-called "need for action" was ignored by the Law Society. This allegation is, likewise, without merit and denied.

7. Attorney Joubert's abovementioned allegations are not appreciated by the Law Society. They are factually incorrect, contemptuous and irresponsible. The Law Society reserves its right to reply to the said allegations in more detail at the appropriate time and in the appropriate forum.

The second aspect

8. The second aspect is the reference by attorney Joubert to the involvement of Discovery in these proceedings. She oddly and inappropriately refers to Discovery's "apparitional role" in the proceedings. She, in addition, refers to the Bobroffs' references to Discovery and its involvement as "prolix".

9. The active involvement of Discovery in these proceedings is well known by now. Although Discovery's involvement was previously denied by attorney van Niekerk under oath, it now appears to be common cause.
10. Discovery's involvement is very relevant to the proceedings, particularly to the counter-application and impacts on the substance thereof.
11. Should the counter-application be allowed to continue, alternatively should a similar application be brought by attorney van Niekerk, the Law Society will in its answering affidavit disclose to the Honourable Court the true facts concerning Discovery's involvement in the matter, the nature and extent thereof, its effect on the proceedings and its consequences for those involved.
12. In respect of the relief sought in the notice of motion to the application in terms of Rule 30, the Law Society abides by the decision of the Honourable Court.

SOLOMON STRIKE MADIBA

I certify that this affidavit was signed and sworn to before me in my capacity as commissioner of oaths at Pretoria on this the day of July 2015 by the deponent who:

- (a) confirmed that he:
- (i) knows and understands the contents of this affidavit;
 - (ii) has no reservations about making the oath;
 - (iii) considers the oath as binding on his conscience;
- (b) uttered the words "So help me God".
